REVIEW OF UNITED STATES TRUSTEE & AUTHORIZATION TO MAKE DISTRIBUTION

I have reviewed the Trustee's Final Report and Proposed Distribution, and authorize the payment of dividends to creditors after: all creditors and interested parties have been noticed and no objections are timely filed; or if any objections are filed, they have been resolved with a final non-appealable order. If the net proceeds do not exceed \$1,500 and each chapter 7 application for compensation or reimbursement of expense does not exceed \$1,000, notice to creditors is not required.
